Great Light Dharani

(translation)

Adoration to all the Buddhas in the three worlds and ten directions.
Hail to the incomparable one who can remove all disasters. Hail to
the incomparable one who pervades the whole universe, revealing the
trikaya according to the circumstance. Awakening is light, the great
light itself. This glorious light brings all beings into the realm of buddha
and saves them. Thus the disasters disappear, bright realization appears
and the virtue of this dharani has been completed.

*All Buddhas throughout space and time,
All Bodhisattvas, Mahasattvas,
Maha Prajna Paramita.*
