Verse for Opening Sutras (Kaikyoge)

The Dharma, incomparably profound and infinitely subtle, is rarely met,
even in a hundred thousand million kalpas.

Now we see it, hear it, receive and maintain it.

May we completely realize the Tathagata's true meaning.

Verse for Closing Sutras (Fuekō)

May the merit of this penetrate
into each thing in all places.

So that we, with all sentient beings
together realize the Buddha Way.
